The explanation of how credit is established and how scores are determined will help them to keep a better and healthier record. Because of cultural patterns Latino population, including the author of the book before his experience, tend to see bankruptcy as something shameful, and not as a second opportunity. Juan’s book shows that for him, and for many others in an unbearable financial situation which usually degenerates in family violence, alcoholism and drugs bankruptcy can be a solution; a second opportunity to rebuild your life, that’s the reason for this law.
