My Body Is The Temple

Download Ebook
I am very excited about this text because it is not written just for the dancer or the sacred artist, but for anyone who desires an encounter with God in their temple. It contains the clearest, easiest-to-understand material regarding the purpose and power of movement ministry. Leadership and laity alike will experience and comprehend how the WORD can become flesh and delivered to the Body of Christ in a movement message. They will learn how, through the body (our temple), God allows the Word, to shatter the windows of darkness, pierce the principalities, and bring deliverance to souls in our nation and the world. I would highly recommend this text to everyone because of its sound biblical teaching on the call of dance as ministry, and the rightful place of the Arts in the Body of Christ. Enjoy!

This book is a must have!! It lays down a foundation for liturgical dance in a powerful and scripturally rich way. The revelations and insights revealed are precious and I greatly admire her love towards others and imparting such wisdom into others who desire to establish liturgical dance in their area.

I have read My Body is the Temple three times, and plan to read it again soon. Rev. Stephanie Butler has a unique approach to the worship ministry and her writing style is very compelling,
making it very hard book to put down. I would recommend it to anyone who is serious about learning more about the role of art in worship, because it is not just the same information being repeated over and over again.

I would recommend that every dance ministry operating in the church should buy and read this book. It’s worth having in your collection.

Awesome instruction for those in the Christian Dance field. This is a must read.

Wow! My mind body and spirit are forever changed.... I understand my purpose, my call, and my destiny. Thank you Rev. Stephanie Butler for giving incite on the art of Liturgical Dance. This book touched me in so many ways, and it forced me to examine myself. I now push to please God with my life so that I can be used for His glory. Thank You.

haven’t fiinsh reading this but it seem to be what I was looking for... Did recommen this to my Dance Team

AWESOME!!! This is a book that I pick up over and over again. I always make sure that with each military move, it is not packed but in my bag with me. It helps me stay grounded along with my bible.
