# A Marine For Two Bears (Bear Mountain Book 14)

## Synopsis

With the werewolf issue still hanging over their heads, Bear Mountain's alpha has tapped ex-Marine, Captain Deacon Jaquobi to come up with a plan for the valley's protection. Deacon comes, not so willingly—but upon arrival—he comes face to face with his fated mate. Glenn Ashland is the valley's grocer. A single father to two twenty-somethings, he's lived the last sixteen years mourning the deaths of his mates. Until meeting Deacon, romance wasn't even on his radar—but he can't ignore the attraction he feels for the mysterious shifter. Deacon has to pull out a full-scale offensive to tempt Glenn closer, but a wrench is thrown into the mix when Deacon learns he has a second mate, Emmanuel. How can he hold on to a skittish Glenn and seduce an omega at the same time? And then there's the most important issue. Dragons are only supposed to get one chance at love in their immortal life—why is he getting two bears?

## Customer Reviews

I have been read all the books that are out for this series and I am sooo hooked. I love all the characters. The only complaint I have is no matter how long the story is I think it is too short. I love

Kel Ex. This author has a great talent for showing you the story. I can see these characters in my mind like a movie instead of seeing the words on the page. I know when I have seen other review thru my time reading books from some talk about the grammar and editing. I am not a lot major so if there are any the stories are so good I haven't noticed them. Thank you for sharing your stories and talent.

I am never disappointed when I read Kelex. The Bear Mountain series is one of my favorites and this book reminded me why. With the introduction of new characters and cameos by ones I already love, I am hooked. I can't wait to meet more out the norm characters. Wish I could move to Bear Mountain and hang out with these guys!

Magic, triads and hot sex. What could be better. Well, I would prefer a longer book, but besides that I love bear mountain. Though I think it might need to be renamed.
