La Cucaracha Martina: Un Cuento Folklorico Del Caribe, Spanish-Language Edition (Spanish Edition)

Synopsis

La Cucaracha Martina doesn't like life in the big city. The loud city sounds hurt her tiny ears and keep her awake at night. Determined to find the source of the one beautiful noise she has heard only a few times, Martina takes to the town and creates a big stir. Splendidly shaped and colorful creatures come, one by one, to catch a glimpse of this ravishing roach. Soon, marriage proposals fly and love is in the air. Who will win the heart of this extraordinary cucarachita?

Customer Reviews

This book was wonderful! Although written for younger children older children and adults will enjoy it too. The illustrations are crisp, bright and whimsical. The story of a beautiful cockroach is based on a Caribbean Folktale. It is a fun read and a great book to share with others. The book has lots of secrets in the language. Look for the meaning to the many spanish signs and symbols located throughout the book. I shared this with my college classmates, my adolescent children and younger children as well. They all enjoyed the story and were equally intrigued by the illustrations.

i read these books as a child. i really enjoyed them, and they help me with practicing to reinforce the spanish I had learned as a child from my grandparents, as well as my parents. I am now reading the books to my grandchild and though she is quite young, she has expressed a very strong interest in books. How old is my grandchild? She is 5 months old and let me tell you it's never too young to

read to your children. Enjoy your children! Ada
