Chekhov Plays (Methuen Paperback)

Chekhov Plays
The Seagull - Uncle Vanya
Three Sisters - The Cherry Orchard
and four vaudevilles
Translated and introduced by Michael Frayn

DOWNLOAD EBOOK
Synopsis
This volume includes The Seagull, a about the battle for power between a mother and her son which ends in tragedy; Uncle Vanya tells of two obsessive love affairs that lead nowhere, and a flirtation that brings disaster; Three Sisters in which three siblings wrestle with their futures and The Cherry Orchard where the old must inevitably give way to the new. Haunting and elusive, these four great late masterpieces have found in Michael Frayn a translator who perfectly captures their delicate balance of the tragic and the absurd. The volume also contains four of Chekhov’s early short ‘vaudevilles’ as well as a substantial introduction by Michael Frayn."The critical clamour for a Complete Chekhov in Michael Frayn’s translation has borne fruit" - Sunday Times

Customer Reviews
This is as good as Chekhov gets. Beautiful and poetic. It captures all of the humor which is so important. It is obvious that there was great love and scholarship at work. A pleasure to read and a pleasure to act.

What can one say about Chekhov!? Wonderful plays -- rich, evocative, funny and poignant. Chekhov joins the ranks of the Russian giants who used literature as a medium for social criticism to good effect. This translation is very readable, and speakable -- which is important (doesn't hurt that Frayne is himself a playwright) but British idiom is not American idiom. So in the end I translated The Cherry Orchard myself for an American production I was directing. Didn't like the many
translations I’d looked at, which were either too colloquial, too academic, or too awkward in the mouth.
