Enslaved: (Alien Scifi I/R Romance) (Brides Of The Kindred Book 14)

Synopsis

Book 14 of the Brides of the Kindred Series
Anything for you Mistress
Thrace is an unwilling slave. Drugged and bound, he is taken to the Flesh Bazaar and put up for sale to the highest bidder. But this is not the first time Thrace has been on the auction block—he has a past full of horrors he doesn't intend to repeat. Desperate to be free, he swears he'll kill whoever buys him. Lonnara Trin is the Captain of a merchant ship from the all female planet of Zetta Prime where sexual relations with a male are considered unnatural and wrong. She has no use for males personally, but she needs a big, muscular slave or her business will suffer—Thrace fits the bill. Soon Mistress and slave are embroiled in a desperate conflict which draws them intimately together. To her surprise, Trin actually begins to have feelings for her slave. And though Thrace swore to be free, he finds himself devoted to his new Mistress. When their differences threaten to tear them apart, Trin tries to grant Thrace his freedom. But she doesn't realize that his heart has already been enslaved.

Customer Reviews

This one is tough to review, as I've been a long time fan who loves the series. I want to give them all

5 stars. That said, the overall story arc of the curse from the previous book moves along, but the couple's story isn't what I'd hoped for. A few things bothered me, foremost was the very basic storyline for the MC. It was quite similar in a number of aspects to Exiled, which was not a favorite of mine. The main characters really left me a bit cold, even with the tons of sexy time. She was more than a tiny bit annoying, he was quite the alpha, but just didn't do anything for me. I found myself skimming some of the sex scenes to get to the story because I just couldn't get into either of them. THE scene, the one spoken about by readers, where he is ready to make a huge personal sacrifice for her, really bothers me. Not in what makes it a sacrifice (more on that in a minute), but that there wasn't a real fight about it being made. Not enough, "I'll do it.", "No, I will." Just what seems a token protest and she agrees to let him make the sacrifice. Only discovery of his past stops her, even though it was clearly a very painful idea to him before she knew. It seemed to me that the willingness to sacrifice for another they care about wasn't equal. Through out, the emotional components of the relationship came across as uneven. ****TRIGGER WARNING**** Now, the sacrifice. I won't give exact details, but I will say that it involved past, long term sexual abuse and rape. Parts are described in some detail, which, obviously, could be disturbing to some readers. While it doesn't occur in the time frame current to the book, it's there with enough detail to know just what happened.
