## Customer Reviews

Actually, I need this book for my licensing exam in Chile. It is okay; obviously I find reading in English much more pleasurable. Considering the dearth of acupuncture texts in Spanish, I can give it 4 stars, but that is a little generous.

you learn a lot, is easy to follow, instructions are so easy, has difference schedules of practice, so handle, thanks

just what I needed, i've been looking for a while this book and got it!

Un gran libro
