Synopsis

When the dead body of one of lawyer Ian Lockeâ ™s wealthy clients is discovered in a place most unbefitting for a man of his station, it is just one piece of a complicated legacy that Ian must unravel.Who killed Ralph Wainwright? His bitter wife? His son, back in town after a long absence? The discovery of multiple wills further clouds Wainwrightâ ™s relationships and motives others may have had in wanting to see him dead.From the countryside to the courtroom, the small town of Borderview to the burgeoning metropolis of Omaha, Last Will is a tale of mystery and suspense set in 1880s Nebraska, as lawmen and law wranglers must navigate the ripple effect a murder has on the community and their families.

Length: Print, 211 pages; Audible, not available as an audiobook, but Iâ ™d love to listen to George Guidall narrate it.Target Audience/Genre: This is a Western Mystery.What was the Rank on the date this review was published? 15,164.Q - Is this a book that I can read without having to read

others first?A â “ Yes.Q - Are there a lot of typos/misspellings, grammatical errors or other editing failures?A â “ No, this is well-written and well-edited.Q - Is this a fast, easy read or is it more of a leisure read?A â “ Itâ ™s a quick read for some, but itâ ™s a leisurely read, if that makes any sense.Q - What sort of language does this writer use to amplify the points made?A â “ Plain English, with only mild profanities. By that I mean, no f-bombs, but some salt and pepper language that was probably common by most when they were not within earshot of the womenfolk. Well, except the main character is less discriminating with his language than one would imagine during the time period of this novel. Then again, maybe Nebraska during the era when it was thought of as the Great American Desert was had a different etiquette. My point is that this guy is unafraid to utter an occasional expletive. Nobody in this novel, though, utters the f-bomb, as I stated earlier.Q - My biggest pleasure or disappointment?A - My biggest disappointment was that I couldnâ ™t listen to George Guidall narrate it. At times, I almost felt as if I was reading a Walt Longmire novel, but with the sheriff becoming a lawyer and learning a bit of the language his sidekick uses. I love how the writer allows us to experience what the narrator of the story sees, feels, and touches. This skill is known as evocation.
