Demon V: Dark Illusion (Mike Rawlins And Demon The Dog Book 5)

Synopsis

Demon V: Dark Illusion blends a new power into the mix for Mike, caused by yet another Haunt wound suffered in the final battle with the Haunts. The Demon Inc crew learn in nightmarish and humorous terms about the new power, as Mike demonstrates his ability to alter the perception of reality. As Demon jokingly cautions Mike to rein in his power, before the authorities truly exile them to a dungeon in Middle Earth, guarded by Sauron and the Orcs, Mike drags friends and paranormal brothers Demon and Mongo into action against evil, both paranormal and politically correct. Las Vegas becomes a focal point for Haunt infected apparitions the crew calls Bad Caspers. Sin City wants them gone and who you goinâ™ to call â“ Demon Inc.

Customer Reviews

For myself, I couldnâ™t go wrong with the latest installment of Mike Rawlins and Demon. One of the more enjoyable series that I follow on . The author didnâ™t fail on any aspect of the story, but he did have a couple glitches. The author stayed consistent with Mike and didnâ™t deviate which is always a good thing, but a couple times the story felt a little choppy which wasnâ™t major, but I

did notice. Additionally, I agreed with another reviewer that the author needs to stay with the paranormal and not get caught up in other aspects of society. Don't mind crossing over once in a while, not on a consistent basis. Finally, would've like to have more story in regards to the Las Vegas arc. This part of the story seemed rushed and just thrown in the book. Vegas had potential, ultimately fell short of my expectations. Author should think of going back, might be enjoyable.

It is a great book by an excellent author. The only problem I have with it is I read faster than he writes. Mike deals with Islamists as well as Bad Caspers. And opens cans of whoop ass on both. The action is non stop with a lot of humor thrown in. Just the way I like it. You won't regret buying this book

Mike is even more powerful. With more enemies & more inventive dangers, the action is non-stop. The Demon Inc. crew is branching out to protect friends & family from hugely diverse dangers, making them equal opportunity crime busters. Bad guys take note...D. I. has your number! The family & friend dynamics are evolving as well, making the series much more than a teen-age angstathon. I hope DeLeo continues the series for a long time! The cast is young & there seems to be no limit to DeLeo's imagination. Thank heaven Demon Inc. got rid of the Haunts before some liberal "Haunt Huggers" hit them with a law suit!

It's different from the first four. It's more like his other series, Nick Macarty and John Harding and less about paranormal stuff. I personally wanted more occult and haunts. Writing is good as always.

I liked it, characters are consistent and likeable. Although sometimes the comedy feels a little forced. The only thing that really bothers me is the romances of Captain Darkness and how H.G. is acting other than that bit is quite the good read. Give him a steady lover it's getting frustrating how stupid his ex's act.
